***Counties that did not mention the Hunting Dog Study**

A Resolution of the Brunswick County Board of Supervisors

Where as Brunswick County has a tradition of hunting with dogs and specifically with hounds that is as old as the County; and

Where as the Brunswick County tradition of hunting with dogs provides significant economic benefit to the county and her people; and

Where as the Brunswick County tradition of hunting with dogs significantly contributes to the public safety by controlling excess wildlife populations that would otherwise increase automotive collisions, crop and other property damage, and disease control; and

Where as the Brunswick County tradition of hunting with dogs, especially hounds, is practiced on the vast majority of land in Brunswick County and is a source of revenue and a major resource management tool; and

Where as the Brunswick County tradition of hunting with dogs is a wholesome family oriented heritage that teaches self-reliance, individual responsibility, and the values of community and stewardship of our GOD given natural resources; therefore

Be it resolved that the Brunswick County Board of Supervisors supports our Heritage of Hunting with Dogs, especially hounds, and opposes any studies or actions on the part of Virginia Department of Game and Inland Fisheries and Virginia Tech as detrimental to that tradition.

Be it further resolved that the Brunswick County Board of Supervisors in support of our Heritage of Hunting with Dogs, especially hounds, hereby calls on the Virginia Department of Game and Inland Fisheries to work to increase communication with hunters and their hunting organizations and to increase law enforcement of the existing laws.
